

EAB Membership and Remit

EAB Members

The governors provide a good level of support and challenge to school leaders. They are effective in questioning senior leaders about the quality of teaching and pupils' achievement. (Ofsted June 2015)

EAB - Education Advisory Body

Up until November 2016 Grange Lane Infant Academy and Pheasant Bank Academy had a Federated Governing Body - this means the 2 schools shared the same Governance. It was agreed during the meeting dated 22.11.2016 that from the new year, the 2 academies would revert to 2 separate bodies.

The first table below shows the new EAB for Grange Lane Infant Academy as from 10.01.2017. Details of the EAB meetings prior to this, when the academy still had a Federated body are further down the page.
